PLAY
HOMEWORK
BONUS
10 pts.
EVALUATION
CRITERIA
PRACTICE
EXAM
60 pts.

Practice (Remote)

- Work with prepared and connected machines
- Install and configure a set of services
- Create a set of users and groups
- Set the appropriate permissions
- Write a simple script that does what requested
- Additional tasks as per the exam requirements

The **practice exam** will be held **remotely** in a **controlled environment**

All you need is just a PC with **RDP client** and **Internet connectivity**

You will have **4 hours**

** You are allowed to use any available source of information during the exam*

Practice Preparation

- Focus on what was demonstrated during the lectures
- Go over the practice exercises at least once more
- Check the homework challenges and the published solutions
- Repeat the sample practice exam solution
- Experiment a little bit. For example, more disks, more users, …

Test Details *

30 minutes

20 single-choice questions

10 multi-choice questions

** You are allowed to use any available source of information during the exam*
